

ALI ABUELHASSAN

DESIGNER, DEVELOPER, & PHOTOGRAPHER

BIOGRAPHY

I'm a 4th year student at UCSD studying Cognitive Science with a focus in Human-Computer Interaction and a minor in photography. I have several years of experience in various fields. I love to travel and photograph my trips in my free time. I'm a big fan of hip-hop music and like to photograph concerts when I can.

EXPERIENCE

● EuroFugees

Jan 16 - Present

Eurofugees is a web app that eases the process of finding housing for Syrian refugees in Europe. I conduct user interviewing & needfinding, prototyping & wireframing, and performing heuristic evaluations for the app.

● USER TESTING & COMMUNITY OUTREACH

ISHQR (www.ishqr.com)
Philadelphia, PA | May 15 - Present

Ishqr is an online dating site and iOS app for millennial Muslims. Working remotely, I conducted usability testing prior to the release of the iOS app. I am currently working on the development of the Ishqr Blog. Other projects include making the promotional video for the release of the iOS app.

● GRAPHIC DESIGN COORDINATOR

UCSD SPACES
San Diego, CA | Sep 14 - Jun 15

Designed marketing material for the promotion of SPACES Programs; Also maintained and developed the website for the organization using HTML and CSS.

● PEER ADVISOR: GRAPHIC DESIGN

UCSD Academic Internship Program (AIP)
San Diego, CA | Sep 13 - Feb 14

Designed all marketing material for AIP with tools like Adobe Photoshop and Illustrator. Worked with students on their applications and provided support during their time in the program.

● GRAPHIC & WEB DESIGN INTERN

CAIR - Council on American - Islamic Relations
Anaheim, CA | Jun 13 - Sep 13

Maintained CAIR's website using Joomla, HTML, and CSS. Used Adobe Photoshop, Illustrator, and Premiere to make campaign and marketing materials such as brochures, business cards, posters, and videos.
